# Memorandum

**Date:** May 5, 2015

**To:** Honorable Chairman Jean Monestime  
and Members, Board of County Commissioners

**From:** Carlos A. Gimenez  
Mayor 

**Subject:** Resolution Authorizing an Interlocal Agreement with the City of Doral Regarding Film and Photography Production Companies

---

## Recommendation

It is recommended that the Board of County Commissioners (Board) approve the attached resolution approving and authorizing execution of an Interlocal Agreement between the City of Doral and Miami-Dade County that will allow the County to issue permits for film, television, and still photography production companies desiring to use the City of Doral's facilities.

## Scope

The Interlocal Agreement applies to the City of Doral located in Commission District 12, which is represented by Commissioner Jose "Pepe" Diaz.

## Fiscal Impact/Funding Source

Under the proposed agreement, the Department of Regulatory and Economic Resources (RER), Film and Entertainment Office, will receive a \$100.00 application fee for each film permit processed on behalf of the City of Doral, which will offset the cost of staff time.

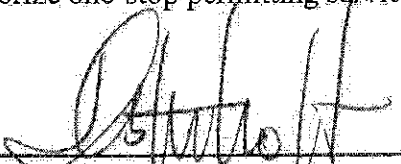

## Monitor

Sandy Lighterman, Film and Entertainment Industries Liaison, RER, will monitor this agreement.

## Background

Ordinance 91-50 authorized the Miami-Dade County Film and Entertainment Office to provide one-stop film, television, and still photography permitting services for all of the County's municipalities, creating a film-friendly environment which encourages more local production. Without these Interlocal Agreements, film, television and still photography companies would face obstacles at each municipal boundary with additional permits, unnecessary paperwork, further manhours and additional fees. This service is an effective enticement to attract film, television and still photography shoots to this community.

Currently, Miami-Dade County provides these services under agreements with 17 municipalities, allowing efficient processing of permits for most filming locations. The attached resolution will authorize one-stop permitting services to be performed for the City of Doral.
